

RPM Pit Parking Signs

In order to have a more organized and uniform track drivers must now purchase an official RPM Pit Parking Sign reserve the same parking place from week to week in the Pit area.

Cost - \$20.00. Please note that RPM is not charging for the spaces. Instead, we are simply charging for the sign to be printed.

The layout of the sign will be as followed:

- Top row - Driver or Owner Name
- Bottom row - Car Number

Method of displaying and/or attachment:

- Parking at Fencing – attached to fence (predetermined height and distance of separation determined by track management)
- Open Area Parking – attached to T-Post (provided by track at predetermined height and distance of separation)
